

Leave the call list as is - I cannot make it any clearer than that. If you choose to accept the kickbacks that companies are offering to weaken the do not call list in Wisconsin please e-mail me your home phone number so that I may then call and complain to you when I receive phone calls at 10 PM on a workday. After all - fair is fair - if you allow companies to be free to solicit me at will than I should have the same right to solicit you at will. Do you get the hint - if it's not broke it doesn't need fixing.
